School Uniform

We are in the process of changing our supplier and will now be using West Lakes Embroidery which has premises at the top of Senhouse Street in Maryport. Parents will be able to pop into the shop, order and pay for their child's uniform directly to the owner Lindsay Routledge. The pricing is exactly the same and in some cases slightly cheaper than our previous supplier. The make of sweatshirts etc. are the same.

Staff are also in the process of ordering staff uniform—a first for us! Watch this space as we will soon be sporting school t-shirts, fleeces and hoodies!

Newsletter from Head Teacher to Parents

Issue 3 Autumn Term
Thursday 22nd September 2016

Dear Parents,

It's nearly the end of another week—I don't know where the time goes, it will soon be half term! The weather is starting to get chilly, so please make sure that your child/children have a coat (and gloves/hat in school when necessary) at all times.

We have two important events coming up and we would really appreciate your support. Next Thursday we have our Macmillan Afternoon tea in the school hall from 3.30p.m.—4.30p.m. and I would like to ask if any parents can bake or bring a raffle prize they would be greatly appreciated. Perhaps more importantly, everyone's attendance will make sure that we raise a great sum of money for this very worthwhile cause. Most families have been touched by cancer in one way or another and the Macmillan nurses perform a vital role in respite and palliative care.

On Friday we have our 'Bingo & Buffet night starting at 6.30p.m. Again I am begging for raffle prizes and attendance. If you could let me know by Monday if you are coming along so that we have a rough idea how many we are catering for. The last couple of times we have run a Bingo night we have raised around £300.00 which is a great some of money. This money will be spent on treats for your children at Christmas so please give us your support. Adult tickets are £5.00, kids £2.50 and this includes 1 bingo book and the buffet which is always very tasty! The raffle prize box is now in the school foyer.

That's all for now.
Mrs Walker

Let's get Cooking

This initiative has been very well received and the children are really enjoying taking part in the cooking activities and getting to sample the food afterwards. The last session is on Wednesday 19th of October.

A reminder that the 'Henry' - health, exercise and nutrition course for the really young (0-5) starts on Thursday 20th October from 9.30a.m.—11.30a.m. at the Children's Centre in Allerdale. It is free to join and lasts for 8 weeks. If you need more information about this, please phone Sarah Scott on 016973 23401.

KS1 Trip

Next Tuesday the 11th of October, the KS1 class will be going to Tullie House to learn about Florence Nightingale and the use of lighting in Victoria times. They will also be going to have a look around Carlisle Castle.

The children will leave school after registration and will be driven by minibus with Mr Owen, Mrs Thompson and Miss Wright in attendance.

The children will be provided with a packed lunch from Solway School and they will return in time for normal home time.

Harvest Festival

Thank you to all the parents who attended the Harvest Festival—it was lovely to see so many of you and your children really appreciate you coming. Thank you to Mary Day and her team for putting together a lovely afternoon in the church.
